

About us:

Rauva is more than a company: we are a movement.

As Portugal's first business super-app, we're reshaping the landscape of entrepreneurship, making it more accessible and efficient than ever before.

Combining financial technology and entrepreneurship empowerment, our app simplifies business management owners and freelancers, offering seamless financial operations right from their smartphones. But that's just the beginning: we're constantly evolving, adding new features and tools to empower our users - and we don't plan on stopping with only Portugal, either!

Our achievements speak for us:

- Selected by Banco de Portugal for the Finlab Portugal program
- Celebrated in the Portugal's Fintech Report 2022 and 2023
- Honoured by KPMG as the best Tech Innovator in Portugal 2023

We're on a fast track to transforming the FinTech and banking sector in Portugal and we want you to be a part of this revolution! Your work will directly impact thousands of entrepreneurs, you'll collaborate with a team of passionate innovators, you'll have the chance to create cutting-edge, user-focused products that will change the face of Portuguese businesses. In our dynamic, fast-paced environment, your ideas and contributions will fuel our collective success.

About you:

As an Accountant at Rauva, you will play a critical role in enabling Rauva's rapid growth as one of the leading financial super-apps in the Southern European market. You will provide accounting services to our premium users. We are looking for tech savvy modern day accountants that will become true advisors to our customers.

Your Responsibilities

- Handle inquiries and requests from our premium customers and address their needs regarding accounting, fiscal, social and payroll topics effectively
- Proactively stay on top of accounts, making sure that the customers complete necessary milestones to stay financially compliant.
- Handle day to day accounting tasks, classify and record documents in accordance with accounting regulations.
- Manage administrative procedures and other associated tasks.
- Develop procedures for monthly / annual closings.
- Prepare and analyse the management support information (report).
- Review and implement tax obligations, particularly VAT and corporate income tax (IVA, IRC).
- Handle payroll services.

What's your ideal background?

- Appetite to work in tech / startups
- Ability to multitask and juggle several responsibilities simultaneously
- Strong written and verbal communication skills
- Excellent organisational skills and attention to detail, ability to provide excellent customer experience to users
- Fluency in English (B1/B2 +) and Portuguese is a requirement
- Based in Lisbon, Portugal

Join the Rauva mission to make entrepreneurship easily accessible to everyone.

If you're passionate about innovation and collaboration and eager to contribute to meaningful solutions, Rauva is the place for you. Join us and unleash your potential in an environment where every day presents an opportunity to make a difference.
